

Health insurance for foreign nationals

Whether you'll be studying or working in Slovakia for an extended period of time, we have two types of health insurance for foreign nationals that will cover your medical needs. Both insurance options are recognised by the Slovak Foreign Police for fulfilling visa application requirements.

Whether you work or study in
Slovakia, for security and peace
of mind you have AXA.

We cover:

- Preventive, outpatient and institutional care
- Patient transport and provision of medication
- Hospitalization
- Patient transports
- Dental care

On top of that will provide you with:

- 24/7 assistance services
- The support of AXA's strong international company, which has its own medical staff
- Access to AXA's contracted medical facility network throughout Europe
- Assistance coordinators who speak 11 world languages
- Up to 60.000 EUR in medical expense claim coverage
- Insurance valid throughout the Schengen area
